Catering to Student Diversity

The institution assesses the learning levels of the students and organizes special programmes for slow and advanced learners

Special program report organized for slow and advanced learners:

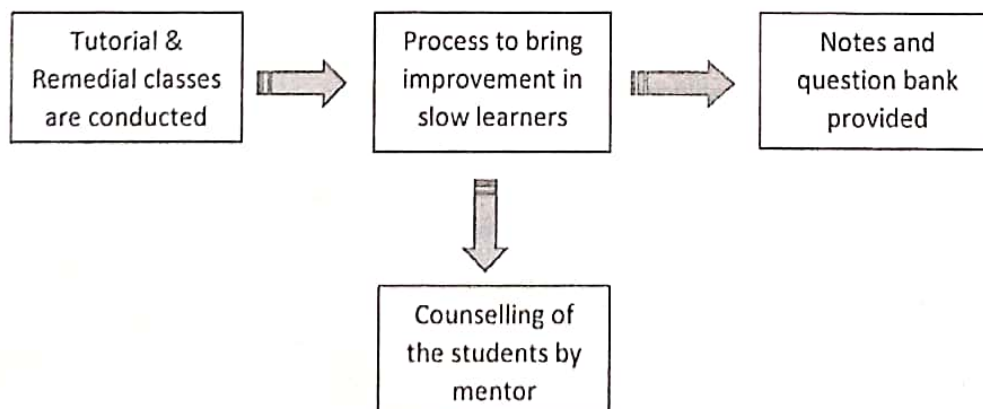

On the commencement, college we organizes orientation program for newly admitted students. The program would help students and parents get familiarized with the college, facilities, rules and regulations, curricular and co-curricular activities etc.

Mechanism to identify slow and fast learners:

College categorizes slow and advanced learner students on the basis of marks secured by students in continuous assessment conducted by respective subject teacher. Also, students are assessed through regular teaching in class room, the performance of the students assessed in the class tests, sessional examinations etc. Continuous monitoring and evaluation of academic and overall performance of each student by assigned mentors. The efforts are taken to Improve the performance in sessional and end term examinations.

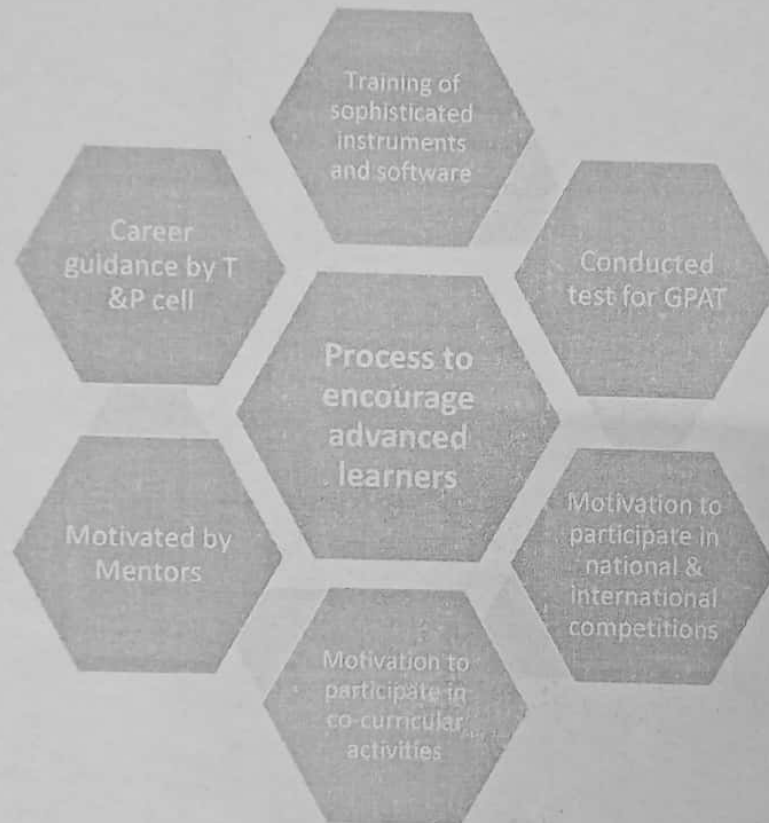

The college responds to the learning needs of the slow learners through:

- Arranging remedial and tutorial classes for weaker students in hard subjects
- Providing notes and question bank to the students
- Counselling and solving problems during mentoring sessions.

The advanced learners are motivated by:

- Motivating and deputing the students to participate in in-house, intercollegiate or state and national level poster presentation
- Provides hands on training of sophisticated instruments and software
- Motivating the students for better performance in higher studies by mentors during mentoring sessions.
- Special career guidance for higher studies by training and placement cell
- Motivation for participation in various co-curricular activities and similar events.
