ANNUAL GENDER SENSITIZATION ACTION

SND College of Pharmacy had planned to take gender sensitization action plan which includes various plans to maintain the equality and moral principles and to make understand human values with justice for all.

The Action Plan are as follows:

- Various equality towards work in both male and female.
- To fulfill the communication gap in response to maintain the dignified image and to have social responsibility.
- To have a proper working culture among faculty and in class between boys and girls during practical hours.
- Committees formation should not be bias and follow the importance of gender equality.
