7	<p>Outcome of this Workshop With details :</p> <ol style="list-style-type: none"> The participants have aware about National Education Policy 2020 and got acquainted with the fundamental principles of NEP 2020. They understood the concept of foundation of Learning and foundational literacy and numeracy. The delegates have familiarized about the major problems currently faced by the higher education system in India and key changes required to overcome these problems. They disseminate the steps to be taken by Governments for 																										

implementation of National Education Policy 2020.

3. The followings National Education policy's vision has been discussed by the Resource persons:

- Moving towards a higher educational system consisting of large, multidisciplinary universities and colleges, with at least one in or near every district, and with more HEIs across India that offer medium of instruction or programmes in local/Indian languages. Moving towards a more multidisciplinary undergraduate education
- Moving towards faculty and institutional autonomy
- Revamping curriculum, pedagogy, assessment and student support for enhanced student experiences
- Reaffirming the integrity of faculty and institutional leadership positions through merit appointments and career progression based on teaching, research, and service
- Establishment of a National Research Foundation to fund outstanding peer-reviewed research and to actively seed research in universities and colleges
- Governance of HEIs by high qualified independent boards having academic and administrative autonomy
- Increased access, equity, and inclusion through a range of measures, including greater opportunities for outstanding public education; scholarships by private/philanthropic universities for disadvantaged and underprivileged students; online education, and Open Distance Learning (ODL); and all infrastructure and learning materials accessible and available to learners with disabilities

4. The delegates have been learned the followings concepts of NEP 2020

- Universal access to education at all levels
- Restructuring school curriculum and pedagogy in a new 5+3+3+4 design
- Holistic development of students and experiential learning
