### CURRICULAR ASPECTS

#### 1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

The Teaching and Learning activities in the Institute are planned and monitored by Academic Committee which constitutes of Principal, Academic in-charge, Chief Examination Officer and respective class coordinators.

**Academic Calendar:** Academic committee of the Institute prepares an Academic Calendar with reference to the university academic calendar, which summarizes the plan of various teaching-learning, co-curricular and extracurricular activities. The probable dates for all the activities to be conducted in the academic year are displayed in the academic calendar. The planned activities include total number of working days, probable holidays, vacations, dates for Cultural activities and schedules of internal examination.

**Teaching Plan:** At the start of the academic year, the subject allocation to the faculty is done. Course schedules are displayed for the students and circulated among the staff. Every faculty submits teaching plan at micro level for their respective subjects to the Academic in-charge. The course file is prepared well in advance by the respective teacher, which typically includes syllabus of the subject, the assignment list, subject notes & reference materials. The record of the conducted lectures is maintained by the subject teacher in the attendance sheet. The periodic feedbacks are collected from the learners to ensure the effective curriculum delivery.

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

An institution believes in participative management and involves all stake holders in decision making process. The Principal of institute is administrative and academic head.

The institute involves in the participative management as follows-

1. Governing body participate in management by framing the policies, approving the budget, providing the fund for infrastructural development and the facilities required by the institute.

2. Input to governing body is provided by Principal which is based upon the input from stakeholders such as staff, students, parents, alumni and people from the profession.

## Case study -

Mrs. P. B. Jadhav raised the requirement of microwave synthesizer for the project work of PG students. Mrs P.B. Jadhav called the quotation from suppliers and prepared the proposal for the purchase of microwave synthesizer. The proposal was accepted by the Principal for financial processing. The Principal forwarded the proposal to finance committee. Finance committee put the proposal in front of Governing body. Governing body finally approved the proposal. On the strength of financial approval the Principal directed the purchase committee to start the process of purchase. The PO was sent by the store in-charge along with the initial payment. After the delivery of machine to the college it was installed.

## 7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

The institute has well organized structure of various committees for the smooth functioning of day to day activities. The academic bodies are having precise functions and responsibilities. Objectives of this Practice is to disseminate information to meeting participants, to take periodical review of every committee, to identify the problems encounter during day to day activities, to offer input to solve a problem or address an issue, Planning Academics, Extracurricular, Resource management etc.

Second best practice is to provide Industrial exposure to the students. The institute is striving for enhancing the institutional culture to serve the needs of an ever-changing and dynamic learning community. To serve this purpose, institute provides industrial exposure to the students in various ways, to provide the exposure to current research trends in pharmaceutical industry, to improve practical knowledge and technical skill of students, to acquaint the students about various aspects in pharmaceutical industry like quality system existing in the organization, trouble shooting in formulation and manufacturing of pharmaceuticals, analytical method development and routine quality control of pharmaceuticals, Intellectual property rights, industry based regulatory needs, etc.

## Part B

### CURRICULAR ASPECTS

#### 1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

The Teaching and Learning activities in the Institute are planned and monitored by Academic Committee which constitutes of Principal, Academic in-charge, Chief Examination Officer and respective class coordinators.

**Academic Calendar:** Academic committee of the Institute prepares an Academic Calendar with reference to the university academic calendar, which summarizes the plan of various teaching-learning, co-curricular and extracurricular activities. The probable dates for all the activities to be conducted in the academic year are displayed in the academic calendar. The planned activities include total number of working days, probable holidays, vacations, dates for Cultural activities and schedules of internal examination.

**Teaching Plan:** At the start of the academic year, the subject allocation to the faculty is done. Course schedules are displayed for the students and circulated among the staff. Every faculty submits teaching plan at micro level for their respective subjects to the Academic in-charge. The course file is prepared well in advance by the respective teacher, which typically includes syllabus of the subject, the assignment list, subject notes & reference materials. The record of the conducted lectures is maintained by the subject teacher in the attendance sheet. The periodic feedbacks are collected from the learners to ensure the effective curriculum delivery.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

At the start of the academic year, Academic committee of the Institute prepares an Academic Calendar with reference to the university academic calendar, which summarizes the plan of various teaching-learning, co-curricular and extracurricular activities. The probable dates for all the activities to be conducted in the academic year are displayed in the academic calendar. The planned activities include total number of working days, probable holidays, vacations, dates for Cultural activities like Pharmacy day, annual gathering, mentoring sessions and probable schedules of internal examination. The actual execution as per plan is monitored by the academic committee on monthly basis and the review of activities conducted.

Internal Evaluation: The In-semester assessment which includes quiz, assignment, open book test etc. and sessional examinations are conducted as per the academic calendar. The evaluation of the same is performed by the subject teachers. After assessment of all examinations, individual subject teacher obtains useful feedback on what, how much, and how well their students are learning. Faculty then uses this information to refocus their teaching to help students make their learning more efficient and more effective.
