---

#### **Event Overview:**

The GPAT Guidance Lecture, organized by SND College of Pharmacy, aimed to provide valuable insights into the upcoming GPAT 2025 exam and explore career opportunities in clinical research. This online session was conducted via Google Meet and was attended by pharmacy students from various backgrounds, eager to gain guidance for the GPAT exam and understand potential career paths.

#### **Keynote Speaker:**

- **Mr. Suraj Somvanshi**  
CTA, NovoBliss  
M.Pharm. & GPAT Qualified

Mr. Suraj Somvanshi, an expert in clinical research, provided detailed insights into the GPAT 2025 exam format, preparation strategies, and key areas of focus. His session was interactive, addressing common queries from participants and offering practical advice for cracking the exam.

He also discussed career opportunities in clinical research, emphasizing the growing demand for skilled professionals in the field. Mr. Somvanshi shared his experiences and offered tips

for students interested in pursuing a career in clinical trials, highlighting various roles and career growth avenues in the sector.

## Event Introduction:

- **Mr. Vikram S. Sarukh**, GPAT In-Charge, opened the session by introducing the guest speaker and the importance of the session for GPAT aspirants. He thanked the participants for joining and emphasized the significance of proper guidance for succeeding in competitive exams like GPAT.

## Key Highlights:

- **GPAT Preparation:** Mr. Somvanshi covered strategies to approach different sections of the GPAT exam, focusing on time management and study techniques.
- **Career in Clinical Research:** A detailed discussion about the clinical research industry, job roles, and career progression.
- **Interactive Q&A:** Students had the opportunity to ask questions about exam preparation and career opportunities in clinical research.

## Vote of Thanks:

- The session was concluded with a vote of thanks by **Mr. Manoj Garad**, who expressed gratitude towards Mr. Suraj Somvanshi for his valuable insights and to the participants for their active engagement. Mr. Garad also thanked the college administration and the organizing team for making the event a success.

## Conclusion:

The session was highly beneficial for students looking to appear for GPAT 2025 and those considering clinical research as a career. The insights shared by Mr. Somvanshi were both practical and motivational, inspiring many students to pursue excellence in their academic and professional journeys.

---

The event was a success, providing essential guidance and clarifying the paths available for students in the fields of pharmacy and clinical research.
